Hobbsville Baptist Church

"Hobbsville, NC. In the year of our Lord, Nineteen Hundred and Sixteen, April 16 a call(ed) meeting was held for the purpose of organizing a Missionary Baptist Church at this place. Committees were appointed and set to work with their great cause in view, feeling it a necessity for the betterment of the community." So reads the first entry in the minutes of the Hobbsville Baptist Church. On December 31, 1916, the Hobbsville Baptist Church was formally organized with 29 members, thus bringing to birth an idea conceived nearly nine months earlier. On May 17, 1917 Hobbsville was received into the Chowan Association. During its first years, Hobbsville's minutes indicate the normal struggles of a fledgling church: finding a pastor, locating property, constructing the building, calling the first pastor, etc. Rev. T. S. Crutchfield is listed as the first pastor. Rev. Josiah Elliot, and Rev. W. F. Cale assisted the church in its earliest meetings.

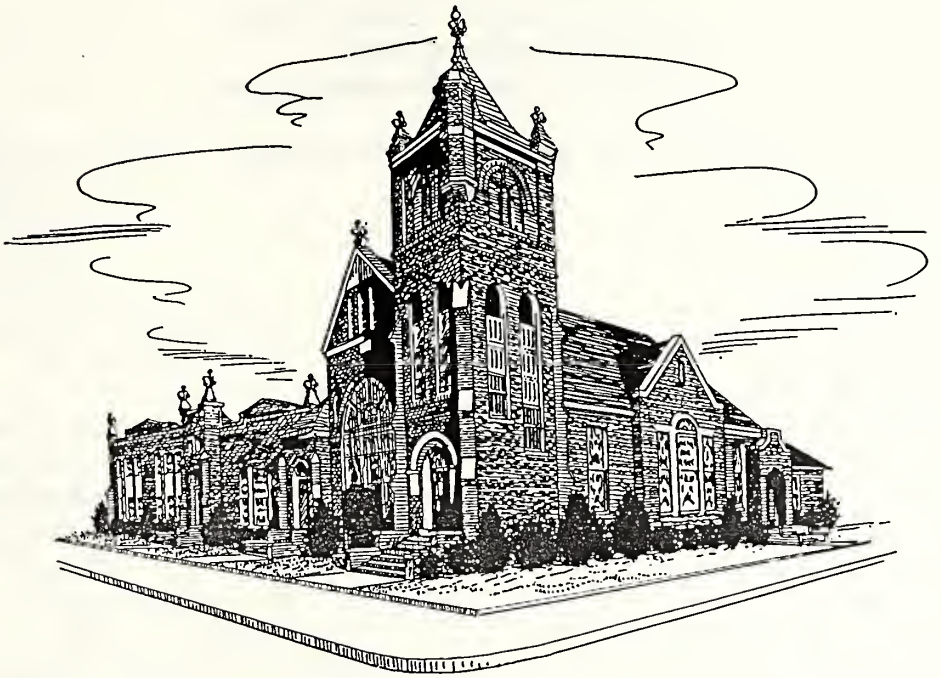
The minutes of the church 1952-1959 indicate the church's continual efforts at spiritual renewal with annual and semi-annual "Revival Services", Vacation Bible Schools, Sunday School, and the continual election of messengers to the Association. Church records show the efforts made to maintain facilities adequate for the ministry of Hobbsville Church. After much discussion and investigation, the church voted to "continue with Sandy Cross Baptist Church as a two-church field" on December 20, 1959.

Hobbsville Church focused on caring for others. One of its first acts was "to send a collection to the orphanage" (April, 1917). The minutes are filled with notes concerning the offerings received for missions endeavors. On several occasions the church rallied to the aid of families whose homes were razed. Hobbsville made its facilities available to the Sandy Cross Church family when its building was burned in January of 1972.

On February 4, 1973 Hobbsville Church voted to call Rev. Robert B. "Bobby" Hewitt as its pastor. Rev. Hewitt served both Hobbsville and Sandy Cross fifteen years. In 1974, the church began the "rotating system" for deacons. A new parsonage was built in 1979. In 1984, the church hosted the Chowan Baptist Association. Hobbsville became a "full time" church in 1986.

Over its rich history, Hobbsville has been blessed with 18 pastors. Under their leadership, the church has continued to reach out to win the lost, care for the needy and develop a community of Christian disciples.

Blackwell Memorial Baptist Church



Elizabeth City's expansion into the maritime trade (1890-1915) led to a great increase in population and a subsequent need for more housing and, naturally, more churches. The one Baptist Church in Elizabeth City had already established two missions by 1899. The Road Street Mission became a church (Blackwell), October 2, 1902. Reverend J. B. Ferebee was our first pastor but he left us after only two months. Under W.A. Ayres (1902-1905) we expanded to a membership of 200. His successor, Josiah Crudup was here only six months. Crudup's wife started the WMU at Blackwell. Under I.N. Loftin (1906-1917), the church increased in number, wealth and influence. Adding to our number were the Disciples of Christ, whose failed attempt to start a church in 1900 led them into a "watchcare" membership with us until they finally established a church of their own in 1921, ironically in our original wooden sanctuary. By the time of Loftin's untimely death in 1917, we had over 600 members.

G.W. Clarke ministered to us from 1917 until 1921. Dr. Calvin S. Blackwell, our namesake, served two interim pastorates with us (1917 and 1921). We have made additions to our church in 1908, 1915, 1921 (demolished) and 1962. Reverend J.H. Thayer came in 1922. J.L. Carrick (1927-1935) ministered to us well during the great depression. J.L White, Jr. (1936-1943), whose father Dr. J.L. White, Sr., served our mother church in 1888, brought a strong personality and a dynamic ministry to the church. Dr. R.E. Wall's ministry (1943-1949) was a striking contrast to J.L. White's. Dr. R. W. Kicklighter (1949-1978) is probably the first pastor most of our congregation have known. His theological approach was far more moderate than we had ever seen. Our membership was at its height during this time.

Our modern history begins with the ministry of J. Hine Adams (1979-1983). His task was to heal the pains that came with the end of Kicklighter's ministry. Dr. Julius Lambeth (1983-1985) is mainly remembered for establishing Wednesday night as a popular fellowship. Dennis Hill (1986-1988) is credited with the establishment of the preschool as ministry. Robert Crisp is our current pastor. We now have a dual divorce-recovery outreach which has considerable community support. As we near the end of our first century, we stand poised to reach out as never before.

Annual Meeting Committee Report

The Annual Meeting Committee began to meet this past winter to make plans for the 1997 meeting. There was consensus among the members that last year's attempt to emphasize worship during the evening services was extremely successful. Therfore we concluded that this year's format would basically be outlined in similar fashion. We believe that this year's theme, "Telling The Associational Mission Story", will help each member of this association.

We express sincere thanks to the Hobbsville Baptist Church and to the Blackwell Memorial Church for hosting this years Annual Meeting. Our committee makes the following recommendations for future host churches and preachers:

1998	Monday, October 19	Ramoth Gilead Jim Clark, Preacher Sonny Diggs, Alternate
	Tuesday, October 20	Poplar Branch John Cullop, Preacher Frank Thigpen, Alternate
1999	Monday, October 18	Reynoldson
	Tuesday, October 19	Elizabeth City, First

Greg Brinson, Chairman

Associational Council Report

The Associational Council met each month to coordinate the work of our Association . We are grateful for the fine work of our DOM, Lamar Eiland, our CCM Director, Bill Bailey, and our Secretary/Treasurer, Debbie Manning.

In June, the Council acted upon the membership request of Faith Fellowship. It is our pleasant and joyous duty to recommend that Faith Fellowship be received under the watch care of the Association.

Sadly, we must also report that we have received correspondence from New Community Church informing us of their desire to withdraw from our Association. Our efforts to encourage a renewal of our relationship have been in vain. Unless we receive word to the contrary from New Community before the six months time expires, we will remove then from the roster of affiliated churches at that time, in accordance with Bylaw I, Section 7.

In September, the Council hosted our second annual Associational Training Day. Approximately 150 people from 32 different churches attended 19 different conferences on a variety of leadership topics. We are grateful to Corinth Baptist Church, Dr. Roy Head and Reverend Martin Chappell for their hospitality. We look forward to next year's event, scheduled for Sunday, August 23, 1998.

Thank you for your support and encouragement during the two years I have served as Vice Moderator and chairman of your Associational Council.

Vic Ramsey, Vice-Moderator

Associational Mission Development Council Report

God Is So Good! In last years report I said that all the signs were present for another very good year in 1996-1997. It Was! And it looks even better for the 1997-1998 year. It is exciting to visit our churches, work with many, and see or hear about the many mission/ministry projects being carried out by individual churches as well as joint efforts between 2 or 3 churches and up to 25 or 26 involved in the Disaster/Handyman Teams.

It is also great to see churches helping churches right in our own association. I know of two of our larger churches (there may be more) who have directly helped some of our smaller churches with special needs this year. I remind us again, when we do it in the name of Jesus, we serve God when we minister to others.

Space will not allow me to give details (please watch for them in your monthly associational news letters); so here is just a list of the ministries you are involved in directly or indirectly through your Associational Missions Development Council and the name of your council members leading in that work. Chaplaincy, Phillip Garrett; Interfaith Witness, Art Simmons; Hispanic Resident & Migrant Workers, Anne Hare; Resort/Leisure Ministry, Greg and Cindy Wise; Partnership Missions, Don English; New Mission/Church Starts, Larry Benson; Disaster Recovery/Handyman Teams, John White. I praise God for each one of these and their faithfulness in ministry.

My hope for 1997-1998 is to see us continue and expand our present ministries, start at least one Mobile Home Park Ministry, start another language group work, more of our churches involved in Meals on Wheels delivery and follow up ministries from that, team ministries with some black churches, involvement in Job Partnership, and that we continue to increase our giving to the NC State Missions Offering.

Please call me at the associational office or my home (335-4081) if you have suggestions, need help or know of someone who does, need help in finding and/or starting something new, want to know more about any of the ministries I have written about, or any other concern that God has placed on your heart. Thanks again for allowing me to serve Him with you!

Bill Bailey, AMDC/CCM Director

Camp Cale Management Committee Report

Camp Cale started a new life as a "self supported" part of the Chowan Baptist Association this year. If you remember the first time you moved out on your own, you might understand the feelings that we on the Committee felt, as we started this year. We had to make decisions that we would have preferred not to make. Those decisions have been made, and believe it or not, we are still on our feet! We have been fiscally conservative in our purchases, put a great deal of sweat into maintaining the tremendous resource that has been put under our control, and prayed fervently for God's direction in all questions.

God has blessed Camp Cale tremendously! He has used it to bring people to His Son in loving acknowledgment of His saving grace and to give quiet respite from the turmoil of the world to His people so that they might be able to rest and renew the spiritual warrior within. God has provided training to His people at Camp Cale that has enabled them to show their love and help their brothers around the world and also has shown His love for those less fortunate and His special ones through the loving embrace of His people and the beauty of Camp Cale.

The committee's first tough decision was to sell the mature pines on Camp Cale. The need for funds to prepare for the coming year was the swaying factor. Because of the sale, the committee has been able to make the purchases and improvements that made this year the success that it has been.

The two clean up days in the spring saw Camp Cale transformed from a hurricane ravaged water front woods to a facility that we were proud to invite God's people to. The people that volunteered and spent long hours raking, digging, cleaning, and hammering deserve our sincerest appreciation. More of the camp was made useable this year. The Hut, Sports and Utility, Craft, and Bible huts were reroofed. Large amounts of sand were spread on the playing field, at the waterfront, in the parking area, and in the Boat House. The old out door privies were removed and the holes filled. All of the cabins and the mess hall were cleaned. Thank you all again for your help!

Also in the spring, Camp Cale was used for Disaster Relief/Handy Man Team training. Over 80 of God's people, men and women, gathered to organize and train themselves in service as God's hands here in the Association and throughout our great country.

On the waterfront, steps were placed in the chapel area for use during baptisms, the boat launch was fixed, the pier was straightened, and a new swimming platform replaced the one that Hurricane's Bertha and Fran destroyed. The water slide was pulled up to shore and awaits clean-up and old posts were removed. A used pontoon boat was purchased (no motor) with the intent to refurbish it for use at Camp Cale.

Work is continuing on the future replacement of the caretakers' residence. Money has been received from the North Carolina Baptist Foundation and from many of our churches for this purpose. Several sets of plans have been acquired and are being reviewed. We hope to move closer to a solution of this problem within the coming year. Thank you for your support this past year. We hope to see you at Camp Cale during the summer of 1998!

Shelton Manning, Chairman

Camp Cale Camping Program

The summer camping program at Camp Cale this summer was a success. We had a few changes to our traditional camping schedule but I feel that the changes were good. We were co-ed for the entire summer instead of just youth week. We tried mini weeks for the youth this year, however, due to the suggestions made by the youth campers we will be going back to a full week of camp for the youth next year. Co-ed camps were not a problem during any of the weeks. It was easier to plan activities that could revolve around a smaller age group.

We had different special guest throughout the summer that told about interesting activities. We had missionaries that had served on the home as well as foreign field. We had wildlife representatives and boy scouts to help us with our camping skills. We also used a wonderfully talented staff to teach classes in areas of interest such as canoeing, drama, puppetry, tennis and camping skills. We are already thinking about next year so if you would like to volunteer some of your time please give us a call.

Camp was truly God filled during our weeks. We had 8 decisions made at Camp Cale during the three weeks. I cannot express to you the wonder of some of those campfires and devotion times. Camp Cale is truly Holy Ground.

Camp Cale had changed many lives in the past and is continuing to do so today. I have heard with sadness in their voices children saying that this would be their last year because their church did not pay for youth to go to Camp Cale because they went to Fort Caswell or Ridgecrest. These are all wonderful places and I feel that every child should get the opportunity to experience these places, however let's not forget that we have a wonderful place here in our mist at Camp Cale.

To close, here is a brief testimony. There was a shy child who was afraid even to order a hamburger at a fast food restaurant because she had to speak to another person. She went to a Girl Scout camp and hated it. For years after that her mother tried to involve her in different things. Finally at 13, she went to Camp Cale to please her mother. That little girl found her place at Camp Cale. She began to

come out of her shell. For the first time since age nine when she made her profession of faith, she realized what it meant to grow as a Christian. She went on to do lots of WMU work and lots of BSU work. I know that young girl well because she is me. Thank you Chowan Baptist Association for all the opportunities that you helped open for me. My last request is that you help me start a spark in another life at Camp Cale.

Discipleship Training Report

Discipleship Training continues to make progress this year. Activities of this ministry area have included both traditional and new activities.

This year, I have been blessed by having some very able assistants. Jeff Bowden, former Minister of Education and Youth at Manteo Baptist Church, served as Association Discipleship Co-Supporter until his departure from our area in March. Soon afterward, we were blessed to have join us Stephen Loftis, Pastor of Hobbsville Baptist Church, as Associational Discipleship Training. He has worked closely with Wendy Edwards, Discipleship Training Coordinator for the Baptist State Convention.

We have experienced growth in the participation of Children's Bible Drill this year. A total of 20 children from four churches participated in Church Bible Drills, and 13 children from three churches participated in the Association Bible Drill, held at Warwick Baptist Church on April 5. For the first time, drills were held for those using both the King James and New International Bible Translations.

Discipleship Training, in cooperation with the Baptist State Convention, sponsored two Listening Team Meetings with the Laity Leadership Development Team of the Convention, on February 20. These meetings, held with the pastors, staff, and members of churches in the Chowan Association, were held for the purpose of discovering needs and ways to assist our churches in stewardship, leadership development, and discipleship.

Discipleship Training sponsored the Seminar "It's All Kid's Play: TeamKid, Growing and Sowing Christians" during the Association Training Day held September 7. Our conference featured introducing the TeamKid Discipleship Training material for preschoolders and children as well as some discussion on the maturation process of Christians of all ages. Both sessions offered during the training day were well attended.

Thank you for allowing myself and Stephen Loftis to serve you in this ministry capacity. We encourage you to remember that we are here to assist you in this leadership area. Please don't hesitate to call on us.

David Benton, Director

I would also like to encourage every church to have at least one messenger at each Executive Committee Meeting. I know these sessions are sometimes rather lengthy, but we are discussing and planning things that you and your church need to know about.

We have a dedicated Staff and a strong and committed team of Program Directors and Committee Chair people. But, we need your support, presence, and input at these meetings to tell us the direction you think we should go.

I am deeply grateful for the spirit of cooperation you have shown this year, and for your kind words of encouragement to me. They meant more than you know.

May the Lord continue to bless us as we work together to spread the Good News of the Gospel across our Association.

Faye Ober, Moderator

Pastoral Ministries

Pastoral Ministries has had a fruitful year. Ministries have been extended to Supply and Interim Pastors, and Retired Ministers, as well as the active ministers in the Association and their families. The highlight of the year was our Minister-Wife's Retreat held in Williamsburg. We had a total of thirty seven in attendance. Much good fellowship was enjoyed as we spent time with our mates and with other couples. The upcoming year promises to be outstanding. We hope to extend our reach to Bi-vocational Ministers as well as Deacons. We covet your prayers and support.

Ronald S. Cava, Director

Property and Building Committee

The committee has held three meetings during 1997. We have had some of the usual problems to arise and address:

1. People driving across grass to storage buildings.
2. Two leaks in the associational building roof were repaired.
3. Outside wood trim was painted.
4. Bad smelling hot water problem corrected.
5. There are some shrubs around building to be replaced and mulch to put in.
6. We have requested Dr. Eiland and Debbie to look into the needs in the office and bring us a report along with proposals and estimated cost.

Grover Morton, Chairman

Personnel Committee Report

The Personnel Committee, as set forth in the bylaws, has the responsibility to handle employment of staff, set forth personnel policies, and make recommendations to the Finance Committee concerning pay adjustments and increases. Your Personnel Committee has worked hard meeting on a monthly basis throughout the year to accomplish these responsibilities.

Our main focus this year was staff evaluations. The evaluations were done so that guidance could be given to the staff concerning work preformance and that pay adjustments/increases could be recommended by a fair and objective basis.

- This included evaluating what we are currently paying our employees to see if our pay scale was adequate. We found that in every area but one we were average to above average in pay and benefits.
- We then evaluated each employee as to job performance per current job description.
- We made recommendations and suggestions to the Finance Committee that came out of this process.

In the 1997-98 church year, we will deal with writing a personnel policy manual which will include:

- updating uniformly all job descriptions to reflect current staff positions.
- work schedules such as hours of operation.
- employee benefits
- other policies needed to protect our staff and association.

Thank you for allowing us to serve our association in this capacity. This job has not always been easy. The tasks are often more complicated than they appear. However, your personnel committee is committed to the support of our staff and our continued ministry as an association of churches committed to sharing the gospel of Christ with our communities.

E. Thomas Hall, Chairman.

Resolutions Committee Report

WHEREAS, 1996-1997 presented a great challenge to our Association,
WHEREAS, we continue to see changes locally and most certainly in the Southern Baptist Convention;
AND WHEREAS, the mission field is coming to our country and communities, the theme "Telling The Associational Mission Story" is the most appropriate for our 192nd Annual Session;
BE IT THEREFORE RESOLVED, that we express our appreciation to the Annual Meeting Committee for this theme and for their preparation of the excellent program.
BE IT ALSO RESOLVED, that we express our appreciation to Faye Ober, Moderator; Lamar Eiland, DOM; Wayne Whiting and Jerry Boyd, our preachers and the entire Associational leadership for their untiring efforts to keep our programs productive all year.
BE IT RESOLVED, that because our spiritual and physical needs have been met, we thank God and the memberships of the Hobbsville and Blackwell Memorial Churches for supplying all our needs.
FINALLY, be it resolved, that the messengers for this 192nd meeting be commended for their attendance and their Christian spirit and that we commit ourselves to continue to tell the Associational Mission Story.

Respectfully submitted, Horace Culpepper, Ida Parker, Joe Griffith, Chairman

STEWARDSHIP

First, thanks to Dr. Ken Batts of our state convention for doing so much quality work for us this year. Without him, our associational program would have been seriously lacking. Second, thanks for this assignment as your stewardship leader. This first year has been enlightening. I did not expect the revelations that God has shown me:

God teaches total stewardship -- the application of all our being and resources to His glory. Our people are being destroyed by the narrowness of our knowledge and teaching in this area. God honors His word. His promises to return unto you blessing upon blessing are evident throughout the Bible. But most give of their resources pitifully. And we reap, as we sow.

God promises rewards to those who give in His Spirit. The rewards are eternal spiritual blessings both here on earth now and later in heaven. There is as well the likelihood of material, physical and mental rewards to be visibly recognized through His grace. HIS PROMISES are not a "get rich quick" scheme nor an affirmation of "prosperity religion". He reads your heart and responds (or not) in His own timing.

Many of our people are so in need of personal financial management instruction. "....The children of this world are in their generation wiser than the children of light" (Luke 16:8B). So true! But it is true in great measure, because we do not believe, focus or act on the wisdom in God's Word.

Two books that focus and teach God's Word on total stewardship and real personal money management are:
(1) Calvin T. Partain's Trusted Stewardship (Moving Toward Total Stewardship) -- To obtain, call 1-800-968-7301. A WMU publication, price is $7.95 plus S & H.
(2) Mary Hunt's The Financially Confident Woman -- To obtain, call 1-800-550-3502. A Broadman & Holman (B&H) publication, price $10.99 plus S&H.
Please seek God's counsel on using these materials in a teaching program in your churches. I stand ready to help as I can.

It is an injustice to our people not to teach total stewardship. The good that we could do for ourselves, in families, churches, communities, and in the world -- to His Glory -- is overwhelming.

Sam Jolly, Director

WMU Report

"Hand in Hand" WMU has "laboured together with God" as members prayed for guidance and wisdom to fulfill the command of the Great Commission. WMU activities have been accomplished through: learning about missions; developing spiritually toward a mission lifestyle; praying for and giving to missions; doing missions through ministry and witness; and participating in the work of the church and denomination.

Your WMU Council received state training to be shared with each Associational Church Leadership Team in preparation for leading WMU members for the year. The WOM Prayer Retreat at Camp Cale spiritually encouraged and challenged each of us to be sensitive to the leadership of the Holy Spirit as we seek wisdom in setting priorities, selecting, preparing and accomplishing ministries.

We thank each church hosting Associational age-level events; inviting WMU guest to "focus on WMU"; Foreign and Home Mission Studies, NC State Missions, WMU Celebration Experiences and the Annual Meeting. We were thrilled as volunteers shared their mission experiences with the "First" Associational Volunteer Missions Fair.

Your participation in Mission Involvements has been generous with numerous ministries. You blessed families with several funds including Dan and Beth Southern, CSI; Camp Angel Tree for WMU and Brotherhood; and articles for the Jack Hodges Family, Foreign Missionaries returning home on furlough from Israel. Supplies extended aid to food pantries, clothes closets, Families in Crisis, the Baby Bucks Program, Crisis Pregnancy Center, Christmas in August, nursing homes, Ronald McDonald Homes, and school materials for children. Inmates in prisons have received Bibles, Christmas and All Occasion cards. Migrant ministries touched a variety of needs with blankets, electric fans, clothing, Use-Me-Books, Migrant Hygiene Kits, prescription emergency fund, Spanish New Testaments and Bibles. Contributions to Lottie Moon, Annie Armstrong, NC State Missions, Baptist Hospitals, Senior Citizens and Childrens' Homes supported ministries of all levels. The social focus on Project HELP: Child Advocacy educated us to local needs of children and ways to minister to those incapable of helping themselves.

Thank you for your sensitivity as God has touched hearts with a genuine love for missions to represent His concern for the physical and spiritual indigent. Only when those in need "know that we care, do they care what we know". Jesus's ministry was by example. Please continue to pray that WMU and our Association will minister where our Lord and Savior would have us serve. May we live each day anticipating Gods' love flowing through us with those we contact. "For we are partners working together for God, and you are God's field. You are also God's building". I Cor. 3:9

Varina Hollowell, Director

Youth Ministry Council

Thanks to the help of many people we have had a good year with youth ministry in the association. Last year's Youth Weekend Celebration at Manteo was undoubtedly one of our best both in quality and attendance. We registered 301 people for the two day event at Manteo High School but more importantly saw some important decisions. Fourteen youth accepted Christ as their Savior, nineteen recommitted their lives to His lordship and seven made other kinds of decisions. This is what we are all about. We want to continue to see youth respond to God's call in their lives and obviously, that's happening at our weekend celebrations!

We were also pleased to present youth leader training during the Chowan Association Training Day last September. With so many of our youth leaders volunteering valuable and limited spare time to youth ministry we realize there is a great need for encouragement and training. We will continue to provide support during these training events and our Youth Ministry Council is doing its best to think of other ways to meet the ministry needs of youth leaders.

I would like to give a special thank you to the members of the Youth Ministry Council who have been the vital link in the success of organizing the Chowan Association youth ministry this year. These special people are Deborah Byrum - Whiteville Grove, Marilyn Etheridge - Blackwell Memorial, Jeff Ford - Shiloh, David Lawson - Providence, Linda Layden - Whiteville Grove and Sheila Williams - Whiteville Grove. If you know of someone who is faithful in their commitment to God and has a heart for youth, pass their name on to us. It may be that God wants them on the Youth Ministry council. Thank you for your support of youth ministry. May God continue to bless all the ministries done in the Chowan Association.

These bylaws may be amended on the second day of any annual meeting of the Association by a two-thirds vote of the messengers voting, provided notice of the proposed amendment shall have been made available in writing for the messengers present on the first day of the annual meeting.

Ramoth Gilead Baptist Church

On Sunday, August 28, 1808, 34 members of the Knobscreek Church, now First Baptist of Elizabeth City were dismissed, after they had presented a petition to the church on Saturday, asking that such action be taken "in order that they might constitute a church up the river". This newly organized body chose the name "Ramoth Gilead", which means a place of refuge. The church's name refers to an Old Testament city of refuge, first recorded in Deuteronomy 4:41-43.

The Ramoth Gilead Congregation has been served by four facilities in two locations in its 190 years. Construction on the first know building was completed in 1826. This building served the church until 1860, when a new building was occupied across the road. Both of these churches were located just west of Morgan's Corner, on current U.S. Highway 158.

In 1896, fire destroyed the second facility. The property of the current location was purchased, and the new building was occupied late that year. This sanctuary served the congregation until 1977, when the current sanctuary was completed.

Additional expansion of the facilities include an Education Building and Fellowship Hall, constructed in 1958, and the Family Life Center, completed in 1988. A parsonage, located near Morgan's Corner, was completed in 1961.

Forty-eight known pastors have served the church through the years, with full-time pastors having served the church since 1956. Sunday School, the oldest organization of the church, began to meet in 1869. Later program additions included Women's Missionary Union, Brotherhood, and Vacation Bible School. All have played, and continue to play, a major role in the spiritual development of church members and in reaching the lost for Jesus Christ.

Today Ramoth Gilead Baptist Church celebrates its continuing role as a light that shines for Christ in the community. Christian hospitality and fellowship, dedication to working hard, and steadfastness in spirit remain strengths for the church. These will be assets, which will aid in the challenges of proclaiming the Gospel in the new millennium.

Poplar Branch Baptist Church

In September of 1886 the church was organized with eighteen Charter Members at a tent meeting held by the Reverend Phillip Sealy Cahoon Davis of Rehoboth Baptist Church at Maple. Reverend Davis would come once a month and hold services in a one room school house know locally as "Caffee's College, then later in the homes of the Charter Members. Two acres were given by Mr. and Mrs. Jesse Evans and construction began in early 1887 on a church building. A dedication service was held about 1893.

In 1913 the church joined Rehoboth, Coinjock and Powell's Point Baptist Churches in forming a "Field" and shared a pastor. The pastor preached at each church once a month. On the third Sunday of the month he held two services at Poplar Branch Church.

From 1887 to 1948 Sunday School was held in a one room building with classes separated only by curtains. In 1948 an addition of nine rooms were built across the rear of the original building. For the next several years the church enjoyed much growth and progress. A Deacon rotating system was adopted, a Baldwin Organ purchased, grounds landscaped, central heating and air conditioning installed, stained glass windows, Fellowship Hall added, auditorium remodeled and a steeple installed.

On June 17, 1994 the older part of the church was completely destroyed by a fire of unknown origin. Church services were held at Dr. W.T. Griggs School from June 19, 1994 until November 20, 1994, when a Homecoming Service was held in the renovated Fellowship Hall which had been damaged by the fire.

Services continued in the Fellowship Hall for the next year. Vacation Bible School was held mostly out doors with record attendance. Sunday School classes doubled up and shared teachers. A ground breaking ceremony was held on April 28, 1996. The first service in the new building was held on November 20, 1996. Church enrollment at this time is 381.

Report From Our Associational Missionary

Celebrating what God "Has Done", "Is Doing" and "What He Will Do" is the theme of our Associational Annual Meeting this year. As the committee was discussing the theme my mind was racing with all the things that we had to celebrate in the Chowan Baptist Association.

We have begun our ninth year as your Associational Missionary as of last August first. Never have we felt happier, been in better health, been used by our Heavenly Father more or enjoyed what God is doing through us more than right now. WE PRAISE GOD AND CELEBRATE!

Chowan Baptist Association is also in better condition: spiritually, financially and in what God is doing through His People. Churches are coming alive, baptisms are increasing in many places, new facilities are being built and used for His Glory and the heartwarming fellowship among our family of churches is akin to what we will experience in Heaven some day. WE PRAISE GOD AND CELEBRATE!

The political activities, fightings, jocking for position that has created havoc in many areas of our convention is NOT present in Chowan Association. There is a love, respect and acceptance of each other here that is great. WE PRAISE GOD AND CELEBRATE!

The future looks good for the years to come regarding Camp Cale. There is excitement in the air over the new caretaker's home, over the increased usage of the camp and over the largest number of campers this summer. WE PRAISE GOD AND CELEBRATE!

Yet.... there is so much to do. So many people to reach who are unchurched, lost without Jesus as Savior. So many to teach the Bible to, train and equip in living the Christian life in the world today, and to touch lives with His Love. WE PRAISE GOD AND CELEBRATE!

Debbie Manning, our Administrative Assistant began her fifth year also on August first. God could not have sent a more capable, hard working, gracious and loving person to everyone than she is. She was correct on her "resume", she was "called" and prepared herself for years for "such a time as this in His Kingdoms work". WE PRAISE GOD AND CELEBRATE!

Bill "Missions" Bailey has put the idea that "mission ministry" is in every churches area and that everyone can and should be involved. I praise God for our relationship and the opportunity to share, work and pray along side "Brother Bill". WE PRAISE GOD AND CELEBRATE!

"God is so good.... He's so good to me. He answers prayer....He's so good to me". WE PRAISE GOD AND CELEBRATE!

Your Associational Missionary, Lamar Eiland

Annual Meeting Committee Report

The Annual Meeting Committee began to meet this past spring to make plans for the 1997 meeting. The main focus of our time together was what the Lord is doing throughout our association. We believe that this year's theme, "Celebrating What God Is Doing", best describes the overall picture of how we should respond to our Lord and Savior for the blessings He has poured out upon this association this past year.

"They will celebrate your abundant goodness and joyfully sing of your righteousness". (Psalm 145:7)

We express sincere thanks to the Ramoth Gilead Church and to the Poplar Branch Church for hosting this year's Annual Meeting. Our Committee makes the following recommendations for future host churches and preachers:

1999	Monday, October 18	Reynoldson Ron Parr, Preacher
	Tuesday, October 19	Elizabeth City, First Rick Lawrenson, Preacher
2000	Monday, October 16	Macedonia
	Tuesday, October 17	Moyock

Associational Council Report

The Associational Council meets each month to coordinate the work of our Association. The Council is made up of program directors and committee chairpersons. Our monthly meeting is a time for us to share dreams, ideas, goals and prayer concerns of the Association.

I am very grateful for the fine work our council has done this year. You will see the results of this work through the book of reports. I also would like to express the gratitude of the Council to our Director of Mission, our CCM Director and our Secretary/Treasurer for the time and dedication they give to our Association.

I also would like to thank those who participated in the Listening Sessions this past spring. The report of these sessions will be presented during this Annual Session.

In August, the Council hosted our third annual Associational Training Day. Approximately 200 people from over 30 churches attended 20 different conferences dealing with Associational ministries. This year, we were proud to have WOM join our conference participants as they combined their annual training sessions with the other conferences. We especially thank the good people of Corinth Baptist Church, Dr. Roy Head and Rev. Martin Chappell for their willingness to host this event.

Thank you for your word of support and encouragement during my first year as Vice-Moderator and chairman of your Associational Council.

Keith Vaughan

Associational Council
Listening Team Report

During February, March and April 1998, members of our Associational Council invited members of your church to attend a "Listening Session." The purpose was to allow our leadership to hear what our members were saying about the work of Chowan Baptist Association. Sessions were held in Edenton, Creswell, Providence, Berea, Nags Head, Gatesville and Hertford.

Our expectation was that between twenty-five and fifty people would attend each session. In fact, we never had more than ten or twelve at any one session. Taken all together, we had a total attendance of 12 pastors and 24 other church members. We are grateful to those who attended, and we believe that the perceptions and ideas shared by those individuals are valuable. Given the attendance at the session, we are reluctant to use the listening sessions to make definitive statements about "how Chowan Baptists feel" regarding any particular issues.

In the process of these sessions, we were able to identify several key questions which we believe must be addressed by Associational leadership in a tangible way in order to be effective in ministry in the 21st century. For the purpose of this report, we will list the questions and a brief explanation. We assure you that these issues will be addressed during the next several months and where possible, appropriate recommendations will be made either to the Executive Committee or the 1999 Annual Meeting.

The first question we identified is: "What is the purpose of Associational work?" There is widespread confusion regarding the purpose of the Association. Many people in our churches do not know what the Association is, or what it should be doing. Those that believe they do understand the work often do not agree with one another.

As we attempt to answer this question, we believe that we will have to deal with such issues as (1) the nature and relationship of the association with the state and national conventions; (2) the goals, purposes and values of our association; (3) relationship of ministry and mission; and (4) how will we "do"missions.

The second question is "How do we reach the next generation?" As the current leadership of this association passes from the scene, how will we reshape the Association's ministry to meet the expectations of a very different constituency? There are no easy answers to this question, but we will consistently revisit this issue in order to develop ministries that will appeal to the giftedness of the new constituency.

Thirdly, "What can we do about geography?" Because our Association is spread over ten counties, geography is a major issue. Since we cannot change the geography of Chowan Baptist Association, we must look for ways in which we can work together in spite of this problem. Several suggestions were made and will be explored by the Association's leadership team.

The fourth question is: "How do we tell our story?" By and large, the single issue that we heard most often involved communication. In dealing with issues one through three, we will begin to deal with the content of our communication. However, we must also address the issue of process. Given the geographical distances in our Association, timely, high quality, accurate publicity of Associational work is crucial. We must acquire and maintain the best office equipment we can afford, and we must explore emerging technologies (Internet, email, etc). Our employed staff will need to enhance their skills continually in emerging technologies.

We are already at work to find solutions to this problem. Recommendations to deal with this issue should be coming to the Executive Committee in a very short period of time.

Finally, "What do we do with Camp Cale?" Routinely, people who attended our listening sessions agreed that Camp Cale is a great strength of our Association. We strongly agree.

We also believe that Camp Cale can be much more of a strength than it currently is. With the development of an updated purpose statement and a master site plan, we believe that Camp Cale can move from just a three-week youth/children's summer camp to a place where ministry to all churches and church members can take place.

We will make a specific recommendation at the 1998 Annual Meeting concerning the exploration of a potential relationship between Chowan Baptist Association and the Baptist State Convention of North Carolina.

Again, we thank you for your participation in this process. While the listening sessions have been completed, we want the member churches of this Association to know that the Associational leadership team takes seriously their role in leading this body into the next century with intentional and beneficial ministries. We will continue to listen to all who will speak and will treat every suggestion with the utmost respect and consideration. Together, we can build upon the good work that is already being done in Chowan Baptist Association.

The Chowan Baptist Association Council

Associational Mission Development Council Report

God Is So Good!! It has been another wonderful year and we look forward to an even better one in 1998-1999. With Jesus it just keeps getting better and better!

My first report was in 1994. In preparation for this one I reviewed it, plus all the others through 1997. It was good to see that most of the goals we set have been accomplished. Our on going ministries have been strengthened and new ones begun.

We are working with one of our churches to begin another Hispanic outreach. Another church is hoping to start a ministry to the Vietnamese community. Linda Tarkenton has joined our council to help churches or individuals as to drug prevention and/or recovery ministries. The Disaster Recovery/Handyman Ministry continues to grow. We are ready to respond for disaster recovery calls. Your handyman teams have completed approximately 40 projects. Many lives have been touched. We have had many of our men volunteer to help with the building of the Camp Cale Caretaker's home. If all goes well, it may be almost finished by the time you receive this report. We hope to see a new church type mission start toward the north end of the beach in the near future. More and more of our folks are going on mission trips. We are working on getting one or two teams to go to South Africa in 1999. The list goes on and on.

Our gifts through the Cooperative Program, the special missions offerings (especially the North Caroling State Missions Offering) and our churches working together makes what we are doing possible. Lets keep on keeping on.

If your need help finding and/or carrying out a mission ministry project, please call me. Your Associational Missions Development Council wants to help.

May God Continue To Bless You Real Good!
Bill Bailey, Your AMDC/CCM Director

P.S. We are working on having another Association wide World Missions Conference in early 2000.

Brotherhood Report

The theme for the coming year for Baptist Men will be to "Awake the Sleeping Giant". Baptist Men are a large group that we respond to the wake up call can make a big difference in our communities. We have the potential to provide missionary work through our handyman teams by reaching out to those less fortunate!! What better way to show God's love than to help others. Actions speak louder than words.

Want to know what you can do? You can provide finances, use your carpenter or other skills, take food and drinks to those working and most important of all pray for God's direction in our efforts.

Let us also remember that Ras are our responsibility and if your church does not have a RA program start your efforts to develop your program today.

Remember we have the work force to reach many, let's not waste our time and talents, get involved today!

God is issuing us a wake up call, lets make sure we respond.

Steve Harris, Director

Camp Cale Management Committee Report

Your camp is better than ever! A tremendous amount of work was done at Camp Cale this past year. With the removal of the mature pines, we have a much more open and useable facility. The clean-up was a huge task, met with devotion and perspiration by so many of you. The Camp Cale Management Committee would like to thank each and everyone of you that joined us in the monumental task of cleaning up after what looked like the result of a war and for those of you that used the camp this spring and summer!

God has continued to bless Camp Cale's workers and campers. Souls are being won to Christ at Camp Cale! Rest, relaxation and training are being provided for God's people in a beautiful, natural setting! If you have not been to your camp on the Perquimans River, please do so in the coming year. A lot of people have worked very hard to provide you with an excellent facility in which to relax and enjoy God's blessings!

This year the main building's septic system has been updated. Several companies provided the materials and labor either free or discounted. While we had these folks working on our septic system, we got their help in moving some of the stumps and leveling out our parking decks and the caretaker's home site. Sand and rock were purchased and donated for the camps paths and play areas. The screens were replaced in most of the summer cabins. A youth group from Chapel Hill University Baptist Church and our own Handyman Team did an excellent job of getting these cabins ready for the summer camping program! Over 100 stumps were ground on or near the waterfront area!

As I write this report, the caretaker's residence construction is coming along wonderfully! An outstanding team was put together by our Director of Missions and the leadership of the Association Council. I will refrain from naming the workers on this worthy project in fear that I would offend. I will say that the materials have been in place, the volunteer workers ready, and the leadership eminently prepared for the task! I am astounded at how well the construction has been going. I know God is well pleased! There is still plenty to do; so if you have some free time on your hands, come and join us on this mission effort! We are still about $6,000 dollars short of our goal of paying cash for this construction project. If you can not join us in the physical building of this home, maybe you can help us financially! Your support is greatly appreciated!

Hurricane Bonnie was not a total disaster, but she was rough on some of our trees. The spring clean up effort will be a little tougher than what we had hoped for. The Camp Cale Management Committee would like to invite you now to join us in April and June in our effort to get the camp ready for another exciting year! Come ready to work, and ready for a blessing!

I can truly say the biggest blessing that I received this year, was the problem of trying to figure out if there were going to be enough beds for the summer camping program. I do not know if any records were set, but I do know that there was a good crowd of young people participating this year. I want to thank you for your support! Seeing people enjoying themselves at Camp Cale this year has made all of the hard work of the committee and volunteers well worth it. Please come and join us at Camp Cale during the Spring and Summer of 1999! There is a blessing in it for you too!

Shelton Manning, Chairman

Camp Cale Program Report

This summer was very exciting. We had full camps for every week except youth week which had also increased from last year. There were no extra beds the last two weeks of camp, therefore we are going to go back to four weeks next summer. It is great to see the camping program growing.

Our staff was mostly returning. We had a good year with volunteers returning to help enrich our camping program.

Next year, we are going to have four weeks of camp. The dates are at the bottom of the report. Please continue to support our camp by sending your children. Camp Cale is a great resource that we are not utilizing to it potential.

Camp Cale is self supporting with the camping program as of the past two years. As the economy and other variables change there may be a need for some assistance in the future.

I would also like to see other activities going on at Camp Cale. If you are interested in adult retreats or weekend activities for children at Camp Cale and would be willing to serve on a planning council, please contact Gail Hawkins at 465-4169. I am looking for people willing to serve as counselors for these events as well as program personnel. If programs will be overnight, we will need cooks as well as counselors. Keep this in your prayers and continue to pray for the campers that come through the camp each year.

1998 Proposed Camp Cale Summer Program Schedule

June 28 - July 1	3rd and 4th graders
July 5 - July 9	4th and 5th graders
July 12 - July 16	5th and 6th graders
July 19 - July 23	Youth week

Discipleship Training Report

One of the books that accompanies the Lay Renewal Material is entitled, *Disciples are Made, Not Born.* That title is an excellent summation of our goal as your Associational Discipleship Supporters (a new term for Discipleship Training Directors). Our plan and design is to support the churches of Chowan Baptist Association as they make disciples through whatever process works for that church.

As the new year began, the Discipleship Training Supporter Team was adjusted. Basically, David Benton and I have switched positions. However, we see our work as team oriented with a shared leadership plan. David Benton, Pastor of Ramoth Gilead, is now the Co-Supporter. As Co-Supporter, David is able to focus more of his skills in the Seminary Extension Program, of which he is the director.

David Benton coordinates and directs the Children's Bible Drill. This year the Association's Bible Drill was held at Rocky Hock Church on March 28. We had nine children from three churches participate in the drill. Eight children advanced to the state level. Again this year, we had drills in both the King James and New International Bible Translations.

Two Discipleship Training conferences were a part of the Associational Training Day on August 23. Mrs. Wendy M. Edwards of the Baptist State Convention was our key speaker and leader at the first conference, *"Let's Get Started"*. Our goal at that conference was to help us see the bigger picture of Discipleship Training. David Benton led the second conference, introducing the participants to the new cycle of the Children's Bible Drill. Both conferences were very well attended. Participation was marvelous.

Making Disciples is an enormous task. It encompasses all that we do in our Christian pilgrimage. Each time someone learns something new about being a Christian, each time someone's faith grows, each time someone finds a new way to apply their faith to their daily life, we are being trained in discipleship. Each time we (individually or collective) help that process, we are making disciples.

If David or I can be of any help in supporting your discipleship process, please let us know. It is our pleasure to support you in your efforts. It is our goal to help you find the best way to make Christian Disciples in the context of your church's ministry.

Stephen (Steve) Loftis, Director.

Evangelism

The Evangelism Department of the Chowan Baptist Association enjoyed a year of growth and expansion in the 1997-1998 church year. Plans were made and promoted through the Evangelism Council, consisting of Reverend Cameron Byrd of Creswell Church, Reverend Ron Cava of Rocky Hock Church, Reverend Keith Vaughan of Hertford Church, and Reverend Royce Williams of Oak Grove Church. We express our heart-felt thanks to these who have given of their time and expertise.

Reverend Cameron Byrd served as our representative at the North Carolina State Convention-sponsored Key Leadership. The theme for the years 1998-2000 is "Celebrate Jesus 2000," which is an effort to pray for and share the Good News of Jesus Christ with every person in North America by year-end 2000. This material was presented to approximately twenty interested individuals at the Annual Associational Training Day, August 23, 1998 at Corinth Baptist Church in Elizabeth City. The plan is the final phase of the "Bold Mission Thrust" theme, adopted by the Southern Baptist Convention at the Annual Meeting of 1976. Celebrate Jesus 2000 is centered around five major areas of work: Prayer, Personal Witnessing, Proclamation, Preservation and Promotion.

The Evangelism Department sponsored for the first time The Senior Adult Rally at Warwick Baptist Church in Hobbsville. Reverend Cleve Wilkie, preacher, writer and humorist, was the guest speaker for the occasion, who thrilled our souls with a stirring message. Congregational singing by the one hundred-plus attendees and special music by "The Preachers Trio" was enjoyed by all. The event closed with a covered dish dinner in traditional Chowan Baptist Association style.

Our Third Annual Associational Evangelism Rally was held on Friday, October 9, 1998 at Macedonia Baptist Church in Edenton. The event featured guest speaker, Dr. Mac Brunson, current President of the Baptist State Convention of North Carolina. Special music was provided by The Singing Laymen of Windsor, NC and by the Associational Evangelistic Choir. This group is made up of choir members from various churches throughout the association, as is open to all each year.

It is a joy and privilege to serve the Lord and the people of the Chowan Baptist Association as Evangelism Director. I trust that God will continue to lead and develop every local body of believers into the people He wants us to be.

Royce Williams, Director

The Media Center continues to be used by various people of our association. Literature is available for every organization for preview and use. Videos covering a wide variety of subjects that are a part of our ministry in the area are also available in the second room of the Media Center. Pastoral Ministries Report

In the past year the Pastoral Ministries program of the Chowan Baptist Association has provided many opportunities for ministers and their spouses to learn, grow, fellowship and minister together. Some of the events we have held included: an appreciation luncheon for our Retired Ministers and their spouses, along with others who do Supply Preaching and Interim Pastoral Ministries throughout our Association; workshops for Ministers dealing with such diverse topics as "Personal Wellness" and "Dealing with Difficult People"; an "after New Years" social for ministers/spouses; Minister's Golf outing; Winter Bible Study workshop; and our annual Ministers/Spouse Retreat in Williamsburg, Virginia. It was a good year and I would like to thank all who helped with these events and supported them.

Plans for the next year include many of the same opportunities, along with the development of a regular meeting of the Minister's Conference and an Associational Prayer Chain. I am in need of assistance if we are to be able to maintain these programs. If you would like to offer advice on future opportunities, or possibly volunteer to help with one or more of our planned events, please contact me. Working together we can have a vital ministry to those who minister! Thank you for the honor and privilege of serving as the director of this vital program again this year.

Personnel Committee Report

The Personnel Committee, as set forth in the Bylaws, has the responsibility to handle employment of staff, set forth personnel policies, and make recommendations to the Finance Committee concerning pay adjustments and increases. Your Personnel Committee has worked hard meeting on a monthly basis throughout the year to accomplish these responsibilities.

Our main focus this year was personnel policies and job descriptions. The Executive Committee passed the reimbursement policy and the committee is working on other policies that would be beneficial to the association. We also completed the yearly staff evaluations and recommended the personnel portion of the budget to the Finance Committee.

Thank you for allowing us to serve our association in this capacity. We have an excellent staff of dedicated people leading and helping in mission endeavors to accomplish His will. May God continue to use Chowan Baptists to make a difference for the Kingdom!

Sharing His Love
E. Thomas Hall, Chairman

Resolutions Report

WHEREAS, 1997-1998 presented yet another great challenge to our Association,
WHEREAS, we continue to see changes in our local churches and in the Southern Baptist Convention,
AND WHEREAS, we are continually being blessed in our country, communities, and churches; this year's theme: "Celebrating What God Is Doing" and "Celebrate What God Will Do" surely are appropriate for this One Hundred Ninety Third Annual Session.
BE IT RESOLVED, that we express our appreciation to Vic Ramsey, Moderator,; Lamar Eiland, Director of Missions; Jim Clark and John Cullop, our preachers and the entire Associational Leadership for their untiring efforts to keep our programs productive all year.
BE IT ALSO RESOLVED, that because our spiritual and physical needs have been met, we thank God and the memberships of the Ramoth Gilead and Poplar Branch Churches for supplying all our needs.
FINALLY, be it resolved, that the messengers for this One Hundred Ninety Third meeting be commended for their attendance and their Christian spirit, and that we commit ourselves to tell the Association.

Respectfully Submitted
Joe Griffith, Chairman

Seminary Extension Report

Continuing Education for pastors and laypersons is a vital part of healthy Christian development. Seminary Extension remains an important tool through which many types of continuing education needs can be met.

In the past year, efforts have been made and plans are being laid which will help Seminary Extension meet the new challenges of a new century. New teachers have been and are being recruited. We are striving to "match" teachers with areas of their interest or expertise. New course offerings are being planned, and new class schedules are being designed which will allow students to meet the requirements for diplomas more quickly and systematically. These adjustments lend themselves to making Seminary Extension a more intentional ministry in the Chowan Baptist Association.

You are invited to consider making Seminary Extension a part of your Christian growth experience. Whether you desire to receive a diploma for a particular course of study, or want to learn more about a subject of interest, Seminary Extension can meet that need.

It is a privilege to serve as your first-elected Seminary Extension Director. Thank you for your past support. Your continued prayer support and involvement is much appreciated.

Stewardship

"Bless The Lord, O my soul; and all that is within me, bless His Holy Name. Bless The Lord, O my soul, and forget not all His benefits..." A trust in God, the teaching of total biblical stewardship, and the application of such wisdom by our people in every church is the primary goal of our associational stewardship function.

An understanding and encouragement toward family budgeting, goal setting, debt, spending and savings management – and the overall costs of not doing so – is a second teaching goal.

A third goal is to establish a designated stewardship leader (or committee) in each church – a spirit filled man or woman who understands grace giving and who can give focus and direction to this ministry. A specific laity accountability for this role rather than the pastor can relieve the silence, stress, fear and prejudice placed on our pastors by some Christians.

Praise God, many of our churches are taking actions towards all three goals. We pray that this emphasis will continue. These are meaningful and encouraging steps.

Shortly, we hope to form an associational stewardship committee to share ideas, teaching capabilities, resources, goals and prayers among our churches.

Again, we highly recommend that our churches teach Calvin T. Partian's Book, Trusted Stewardship (Moving Toward Total Stewardship). It is a spiritually inspiring book – imbued with God's Word and available in our library. Call WMU PUBS at 1-800-968-7301 to order at $7.95 each plus S/H.

We have placed in the library a ten audio tape set on "Giving to God" by Dr. David Jeremiah. The tapes plus a study guide provide an excellent teaching and preaching resource. We suggests you borrow the tapes and order the study guide for $11.00 plus S/H. Call 1-800-947-1993 for either or both.

Dr. Jeremiah covers much – including four principles of "God's Harvest Law" (Investment, Identity, Increase and Interval): 1. "I get if I sow," 2. "I get what I sow," 3. "I get more than I sow," and 4. (Paraphrased) "I reap what I sow but it takes a while..." My only argument would be if you give from the heart, you reap the joy then and later.

Again (from last year's report), "It is an injustice to our people not to teach total stewardship. The good that we could do for ourselves, in families, churches, communities and in the world – TO HIS GLORY – is overwhelming."

Sunday School Report

One of the most significant ministries which occurs within Sunday School is Vacation Bible School. We had a new director this year, Lynette Boyce, from Berea, and she did an excellent job for our association. I've heard reports that "this was the BEST VBS Clinic which I've ever attended". I have great confidence that with Lynette's leadership, on April 25, 1999 we will again have an outstanding workshop.

As your Associational Sunday School Director, I am making four priority commitments to the Association: 1) Assist with our VBS team and give support, 2) Provide an annual age-graded conference for all Sunday School workers during our Fall Training Day, 3) Serve as a consultant to any church which wants personalized and hand-on training locally, and 4) Consult and work with our Discipleship Training Team so that the educational needs of our churches can be best met. During this year our Sunday School leadership team worked with Faith Fellowship prior to their beginning their new Sunday School. We hope to do more of the same during the 1998-1999 year. If I can be of assistance to you, contact me, at Edenton Baptist Church (482-3217).

Youth Report

Our youth ministry has had a good year. Last November, we met at Manteo High School for the annual Youth Weekend Celebration and registered almost 450 people. Unfortunately, Manteo High School does not hold that many people, so many had to sit on the floor. Thanks for being patient! There were numerous decisions to accept Christ and to rededicate lives to His service. In an effort to find a location with enough seating for this year, we have moved to Elizabeth City State University in Elizabeth City.

The Celebration will be November 13-14 with Bill Cox of Concoxions as our main event leader. He uses many creative ministry tools including mult-media imaging, chalk art and music. There will also be a time during the Celebration for youth groups to present ministry talents they have such as mime, drama, choir, etc. The Celebration will end with a full concert by the Normals, a professional contemporary Christian band.

We also had an outstanding response at this years Chowan Association Training Day. About twenty people were encouraged to help their church's youth ministry grow by developing a mission statement, by forming a Youth Ministry Council and by starting Lead Teams. All three of these items are things that work well in churches of any size and have been found to be of great benefit. If you have any questions about any of these three things and how they can be implemented in your church, please give me a call. I will be glad to help you or find someone else who can. And thanks once more for allowing me the privilege of being your Associational Youth Program Director. May God continue to bless ministries to youth in your church and throughout our Association.

Yours in Christ, Martin Chappell

WMU Reports

"Come Go With Me" is the WMU Denominational theme for this year. "Come" is a personal summons, everyone is included, not a single person is left out. "Go With Me", is Jesus' invitation to join Him in ministries to fulfill the Great Commission: "Go" ye therefore and "Teach" all nations, "Baptizing" them in the name of the Father and of the Son and of the Holy Ghost; "Teaching" them to observe all things whatsoever I have commanded You and low "I Am With You Alway". This command is being fulfilled through WMU in the five task of: pray for and give to missions, learn about mission, do missions, develop spiritually toward a mission lifestyle, and participate in the work of the church and the denomination.

Your WMU Council prepared for their leadership responsibilities by attending state training at Caraway. Information received was available to each Church Leadership Team at our Associational Training Day. Throughout the year, each council member has been available to assist with consultation regarding individual guidance. We offer a sincere note of appreciation to churches and organizations inviting us into your church homes and age-level meetings. Churches have revitalized inactive ministries that have been dormant for some time and new groups have been birthed. There is "A Place for You" in WMU.

The Women on Mission Prayer Retreat at Camp Cale officially began our year challenging us to prayerfully prepare, support, and conclude each ministry. A variety of Mission Involvement Opportunities have included: Seasons of Prayer for Associational, State, North American and International Mission studies; respective offerings; Camp Cale; Focus on WMU; Migrant Ministries; Food Pantries; Camp Angel Trees; Albemarle Crisis Pregnancy Center, Pasquotank Prison; Disaster Relief; Handy Man; school supply items; V.I.P. Party; Albemarle Hopeline; NC/South African Partnership ; story books for local hospital pediatric units; hand-made cards for missionaries; Vacation Bible Schools and Project HELP: Cultural Diversity.

We were thrilled to be a part of the second Chowan Associational Volunteer Missions Fair where we had the privilege of talking "one to one" with thirty volunteers about their experiences.

Heartfelt thanks is offered to each of you for faithfully supporting WMU through your church home and our Association. Pastors, spouses and families have participated, encouraged, prayed for, financially sustained and shared of their gifts, time and talents to fulfill ministries. We extend sincere appreciation to each church hosting the annual meeting and age-level events.

On behalf of council members rotating off this year, thank you for your faithfulness to support us in every respect and continued support of our current council. May Our Heavenly Father continue to bless each of you as you minister for Him as this years watchword challenges: "Which of these three do you think proved to be a neighbor to the man who fell into the robbers' hands?" And He said, "The one who showed mercy toward him." And Jesus said to him, "Go and do the same". Luke 10:36-37

REYNOLDSON BAPTIST CHURCH

During the early 1800's, a great spiritual revival came to our land. Baptists were slowly migrating southward. For more than twenty years, Middle Swamp had been the only Baptist Church in the county. On December 14, 1827, a group of Baptist believers met to constitute and organize a new Baptist Church. This day, Dr. William H. Lee, William N. Jones, along with former South Quay Baptist Church members, Abram Cross, Edward Howell, Jethro Barnes, Jonathan Rogers, Kindred Parker, Lewis Umphlette, and Elisha Williams met with Elders R. R. Daniels, James Delke, John Harrell and Missionary Luther Rice.

December 25, 1827, Elder John Harrell, pastor of South Quay and Middle Swamp resigned his pastorate and became the first pastor of the newly organized Piney Grove Church so named because it was located in a beautiful pine grove.

The men who met to organize the church met in the Piney Grove School, located on the same land where the present Reynoldson Baptist Church now stands. This building and land belonged to William and Charity Goodman. The next 150 years found their heirs still faithful servants. The building was to serve as the church for 130 years. In 1956, the present brick building was erected. The education building was added in 1968.

May 1852, the Chowan Association held its annual meeting at Piney Grove. The Chowan Baptist Association was interested in establishing a male academy to be a feeder school for the Wake Forest College. This school was to be located somewhere in the association. In 1853, the hill across from Piney Grove Baptist Church was chosen as the building site. This same year, Agent Reynoldson returned to his native England to visit friends and relatives. He boarded the "City of Glasgow" to return to America in 1854 but was never heard from again. In loving tribute to John Smith Reynoldson, the academy became known as the Chowan Reynoldson Seminary. A post office known as Reynoldson was established here. Piney Grove Church became Piney Grove, Reynoldson, NC and later known as Reynoldson Baptist Church.

Having been known as Reynoldson for about 100 years, the name Reynoldson was officially adopted in 1977.

First Baptist Church

Elizabeth City, NC

After being organized early in 1786, the Knobscrook Church was admitted into the Kehukee Association on May 28, 1786. In 1811 the church name evolved to the Elizabeth City Church and finally in 1904 it became the First Baptist Church as it remains today.

The present sanctuary, built in 1991, was the fourth built by the membership. In 1904 the annex was added and the educational building was completed in 1928. In 1955 the sanctuary was remodeled with a divided chancel.

The first recorded pastor of the church was Elder Thomas Etheridge as recorded in the minutes of the Kehukee Association in 1803.

Four new churches were begun as daughter churches. They were Blackwell Memorial, Corinth, Olive Branch, and Ramoth Gilead. A grandaughter church, Corner Stone Baptist Church, was begun from Olive Branch.

ASSOCIATIONAL MISSIONARY'S ANNUAL REPORT TO THE ASSOCIATION

The theme for our One Hundred and Forty-Fourth Annual Meeting of the Chowan Baptist Association this year is, "***Reaching In, Reaching Out and Reaching Up***". My prayer will be that this will be indeed a time of reaching within ourselves, as we search our hearts and lives and bring them in tune with His Will and then continue to prepare and equip our church leadership and people as we prayerfully reach out to the world that God has placed right around us wherever we live and worship to meet the spiritual needs of this association. All of this can truly only be done as we reach up to God for His guidance, wisdom and love.

My prayer for our Annual Meeting will be also that our Christ-like spirit will shine through brightly to the world that watches h20ow we as Baptist act when we get together in meetings like this. We will be in an attitude of love, cooperation and sweet, sweet spirit as we gather information, do God's business and have our times of worship and inspiration.

I'm wondering where this year has gone. It seems like a few weeks ago that we gathered in our last Annual Meeting. Then, I look at my calendar....and I see where it went: Twenty-two churches spoken in; forty-one congregations we have shared worship, revivals and special services with; sixteen meetings with church committees and seven other meetings with church families.

Much time has been spent in associational activities also: fifty-three associational committee meetings and thirty other associational meetings of all kinds. I have enjoyed very much the Pastor's Fellowship/Encourager meetings this year, at last count about 38 meetings. It has been a privilege to meet one-on-one at various places in meetings with thirty-eight pastors and staff members and over thirty lay persons.

It was our joy to represent our association in at least twenty-four Regional, State and National Southern Baptist events, conventions, activities and planning sessions.

In this month (September), we have witnessed the coming together and the response of our people and leadership during very difficult times of two hurricanes back to back in our area. Overwhelming are the disaster situations that we have all been confronted with. And yet, God has provided miracles through people all across our association both within our own ten counties and in other areas of northeastern North Carolina and southeastern Virginia. This work of recovery and rebuilding will continue for a long time.

The Annual Meeting Committee selected our theme months ago. Never did we realize how important it would become in its meaning to our association during these days as all of us have individually and collectively been , ***"Reaching In, Reaching Out and Reaching Up".***

In His Love and Service,
Your Associational Missionary

Annual Meeting Committee Report

The Annual Meeting Committee began to meet last November to make plans for the 1999 meeting.

This is the last associational meeting to be held in the 1900's. In the century that will come to a close next year we have seen many changes. One thing that hasn't changed is God's command to go to the ends of the earth to proclaim the gospel and baptize people in the name of the Father, of the Son and of the Holy Spirit. We believe this years theme *Reaching In, Reaching Out and Reaching Up* should be the rallying cry for the Chowan Association as we embark on the year 2000 and the next millennium that begins in 2001.

Our committee makes the following recommendations:

2000	Monday, October 16	Macedonia Royce Williams, Preacher
	Tuesday, October 17	Moyock
2001	Monday, October 15	Fellowship
	Tuesday, October 16	Soundside/Columbia

Associational Council Report

Bylaw I - Affiliated Churches

Section 3. Any properly constituted Baptist church may seek affiliation with the Association by notifying the Associational Missionary of its desire. The Associational Missionary, Missions Development Leader and the Moderator will meet with the church to discuss the obligations and privileges of affiliation. Following this meeting, the Associational Missionary, Missions Development Leader and the Moderator may recommend to the Associational Leadership Team that the church be considered for affiliation. Upon hearing their report, the Associational Leadership Team may vote to recommend the church for affiliation. At the next annual meeting, the Association will act on the recommendation of the Associational Leadership Team, and, by a two-thirds vote, the church may be admitted under the watch care of the Association for a period of one year.

Section 4. While under watch care, the Missions Development Leader, and the Associational Missionary , and the Associational Leadership Team will assist the church in spiritual growth and church development, and educate the church in Southern Baptist doctrine and polity. The church will be encouraged to participate in all Associational events and ministries. The church may elect members to the Executive Committee, and messengers to the annual meeting, but such members and, messengers will be non-voting while the church is under watch care.

By vote of the Associational Council on October 12, 1999 the following motion is made: "We recommend that the Trinity Baptist Fellowship in Elizabeth City, North Carolina, be received into the Chowan Baptist Association under watch care for the coming year."

E. Lamar Eiland, DOM

Associational Mission Development Council

Writing these reports are very difficult for me. Why? Because I am allowed only a small amount of space. But because of all the mission/ministries you have been doing, I would need several pages just to mention the ones I know about. God Is Alive! And So Is His Church!

Example: Disaster Relief/Recovery: Your response to Dennis and Floyd has been great. Several of you responded by helping on the feeding teams and many of you have been a part of our recovery team on Ocracoke Island, Cape Hatteras, Hyde County, and Hertford County (these are just the ones we have coordinated through the office). I am aware of at least three or four churches who went on other recovery efforts. In addition many of you have responded by providing food, cleaning materials, personal items, money and much more. There is much more to be done. And you keep on calling offering and asking how you can continue to help. Please don't tell me people no longer care.

For future ministries we now have a catering truck that was recently given to us. In cooperation with the North Carolina Baptist Men's Department, we are in the process of having it painted, lettered, some kitchen items replaced, etc... Then we will also have a small feeding unit.

I do not have the space to bring you up to date on all our on going ministries and some new ones being planned. I will try to do that through our newsletters.

However, I do want to remind you that our Missions Celebration (formerly World Missions Conference) has been rescheduled for late February or early March 2001. I hope your church will participate.

Praise God for each member of your Associational Mission Development Council! He continues to bless us real good!!!

Bill Bailey, AMDC/CCM Director

Camp Cale Management Committee Report

Have you been to your camp lately? Camp Cale is a beautiful, inspiring place to be. There has been a lot of work done and time donated by a lot of people. Leaves, branches, trees, piles of stumps and debris cleaned up. Landscaping is in progress. Dirt has been donated and hauled in. We need more dirt for filling and excavating. There are several new projects going on and new projects being considered. This year we have brought on board Campers On Missions. They have done a fantastic job, such as painting and cleaning the bath house and installing new sunlit panels in the roof. This year God provided us with a wonderful group from Jasper, Texas. They cleaned cabins, ditches, mess hall and cut nature trails and raked and cleaned grounds. I was so blessed to be able to meet and work with such a fine group of people. There has been new bunk beds built and installed in the winterized cabins. God has truly blessed this mission field.

As we close out this year I hope with God's love and blessing that those of you who have not contributed to Camp Cale will do so. We have a long way to go to bring this Camp up to accommodate the needs of all the people in the Association. So won't you prayerfully consider giving your time and money to this Camp. I have been blessed this year to work and associate with so many wonderful people. In Matthews gospel it says for everyone who asks receives and he who seeks finds and to him who knocks it shall be opened.

My thanks to the Camp Cale Committee and everyone involved in these projects. May God's Blessings be with you and I'm looking forward to working with you in the coming year.

Billy Baker, Chairman

Discipleship Training Report

Making disciples is an everyday, every-way task. Everything in our Christian life is a part of the disciple making process. Our Sunday School classes, Discipleship Training program, WMU (Women on Mission), Brotherhood, Evangelism, etc., are all a part of the process. The Discipleship Training team encourages you and your church to find ways to make disciples. Look for ways to grow Christians in the faith. This is what Discipleship Training is all about.

For as we learn more about the scriptures, as we become involved in missions, as we do more hands on ministry, as we share the gospel to those who are lost, we grow. Our individual growth will depend on our starting place. Some of us are just beginning our spiritual growth. Some of us have been at it for some time, but we have not gotten very far. Some of us have progressed nicely to our current level of comfort, but we are not quite mature. Some, and only some, have nearly reached maturity. But, we all have some growing to do.

How can we help you grow? How can we help you find the literature you need for your church? How can we help you design a discipleship system that fits your church and its needs? The Discipleship Training team wishes to be a part of your process, should you need us. Please contact Steve Loftis at 297-2962 if he can be of assistance.

As to our efforts this past year, the Children's Bible Drill was held at Ramoth Gilead Church on March 27. We were pleased with those who participated. We look forward to seeing more children and churches involved this coming year. Two training seminars were held as part of the Associational Training Day on August 22. Literature was displayed and reviewed.

New literature samples are on order. This year we will focus on material for Youth. Materials will be available for you to review in the Media Center at the Associational Resource Center.

Discipleship Training Team Leader

Finance Committee Report

The Finance Committee of Chowan Baptist Association will present the following budget at the Annual Meeting. We would like to call your attention to the factors that influenced our choices.

The complete budget of CBA is composed of eight funds. Seven of those funds contain designated gifts which must be rolled over from year to year. These gifts must be used for the purpose designated unless they are released by the donor or, if so designated by CBA, released by the Association. The General Fund or operating portion of our budget rolls over its cash balance to next year but does not roll over balances to individual line items. Tracking designated money is time consuming and difficult, but it is necessary. We have heard numerous requests for simplicity. We have responded to that with a summary page at the beginning which gives an overview of the entire budget with a grand total of income and expense. The details of each fund follow in the order that they appear on the summary page. We hope this overview will be helpful.

You will notice that the General Fund portion of the budget is significantly reduced from last year's General Fund. At the end of August, receipts from the churches were $2000.00 below last year for the same time period. We prepared an expense budget based upon the requests we received and found that it was nearly $10,000.00 more than our anticipated receipts. The General Fund as presented here is guided by two objectives. One, we sought to give a 2% COLA to personnel. Two, we avoided any decrease in total program spending. Obviously, many other items had to suffer cutbacks.

The Personnel Committee recommended 4% salary increases and an adjustment to the DOM's salary to bring it in line with other Associations with similar budgets. The Finance Committee is not opposed to either idea and recommends that if and when the income picture brightens that these be reconsidered.

Please note a new item called "Medical Reimbursement Plan" under benefits to our Secretary. Personnel recommended that the secretary, as a full time employee, should have medical coverage. This coverage was agreeable to our current secretary. It reimburses documented, allowable medical expenses. Any balance in this line item does not roll over to the next year.

Also note that the line item "Pastoral Crisis" has moved from the Contingency Fund to the General Fund.

This budget will require good and careful discipline on the part of all who exercise authority to spend associational money. We remind you that, should the giving from our churches improve, the Executive Committee has authority to amend the budget. It is apparent that program leaders and associational staff have more vision than we have resources. We encourage the messengers to adopt this budget as fiscally responsible, while at the same time, we urge our church families to become familiar with and to underwrite the vision of Associational leadership.

Thank you,
The Finance Committee

Personnel Committee Report

Thanks to the good attitude of the association and the work of previous Personnel Committees, this year has been good.

We began by taking the staff to lunch, asking for insight and coming to an understanding of our responsibility according the job description. Believing our staff are God chosen, we purposed to deal with situations by treating everyone respectfully and by "speaking the truth in love."

We have dealt with situations in love, scripturally and to the best of our ability. We have recommended Dr. Eiland be provided a cell phone and be as reachable as possible. We have evaluated salaries/benefits in light of North Carolina Baptist Publication "How You Can Be a Responsible Employer to Your Minister" and the help of state workers Ed Wiggs and Bobby Stafford. The state has given 4% raises in recent years and so we used 4%. The Administrative Secretary lacked insurance and so we recommended insurance believing this is proper for a full time worker in this position. The Director of Missions salary was below the recommended average for the state and so we recommended bringing it up to the average.

Thank you for supporting Baptist and their Associational Missionaries to reach Northeast North Carolina through helping churches, pastors, laymen and ministry projects. This missions work is people verses expensive equipment, raw materials, etc. and thus the personnel cost is a significant percentage of the budget.

Again, thank you. Please call if you have any input.

Co-Laborers in Christ,
Lawrence Riddick, Vic Ramsey, David Anderson and Bruce Warrington, Chairman

Property Committee Report

The Property Committee received bids to enlarge the parking area and replaced trim at the Resource Center. Purchased new furniture for the Director of Mission's office. A new photocopier was purchased and the computer system was upgraded. A Catering Truck was also donated to the Association.

Sunday School Report

The goal of our Sunday School leadership is to assist Chowan Baptist Association churches in the Sunday School ministry. Our assistance to you, the churches, falls into three primary efforts.

The first is to provide a quality training experience for all workers during "Associational Training Day." On August 22, 1999 ninety (90) men and women participated in the Sunday School workshops. We offered five (5) different conferences, including preschool, children, youth, adults, and general officers/directors. Most reports I heard were very favorable. The second is to provide VBS training. This year our VBS training did not turn out as hoped for. We had unexpected situations occur which affected our ability to staff a team, so the West Chowan Association kindly agreed to do our VBS training for us. It was held May 16 at Edenton Baptist Church with about 35 in attendance. One very positive result of this clinic was the enlistment of our new director, Rick Bleil, from Oak Grove Church. I am happy to have Rick on board with us. An obvious trend in VBS (and Sunday School) is the variety of literatures which are being used. LifeWay is no longer the primary producer of literature for all of our churches, and to this point, we have not chosen to do a multi-literature VBS conference. If anyone has any suggestions, I'd love to hear them. The third is to do individual church consultations. This year I consulted with 3 churches, meeting with the pastor and Sunday School director. We were able to take our consultation team into Salem Baptist Church and do a full age graded conference with them. This was certainly one of the highlights for our ministry. If you desire assistance in Sunday School ministry, please contact me, Wayne Proctor, at Edenton Baptist Church, 482-3217. I will work with you at your convenience.

Camp Cale Program Report

Camp Cale held three weeks of Christian camp during the summer of 1999. July 12-16 was for children who completed grades 3 & 4, July 19-23 was for children who completed grades 5 & 6. July 26-30 was for teenagers grades 7-12. One hundred twenty children and youth were served during those three weeks of camp.

It took many people to pull together these three weeks of camp. Our summer workers included Cameron & Wanda Currin, Cameron Byrd, Shelton & Debbie Manning, Wren Leathers, Royce Williams, Betty Foy, Billy Baker, Mike & Gail Hawkins, Mary Brabble, Kathy Jo Morgan, Tre Caraway, Joey Manning, Laura Shearin, Brooke Riddick, Nicole Bassett, and Justin Merrill. There were others who gave assistance and much thanks is owed to them.

It was my attempt from the beginning of the planning stages to give our campers a variety of activities, using each activity to inculcated the word of God and the person of Christ. There may be a few who would say we missed that goal. However, from the camper evaluations and personal remarks from parents, it appears many went away satisfied. Many decisions for Christ were made, many rededications and a few new Christians. I can honestly say that the gospel was presented each week at every opportunity.

Looking ahead to the year 2000, we are planning six weeks of camp. Four weeks for children who have completed grades 3-6 (June 14-18, June 21-25, June 28-July 2, July 5-9). Two weeks for youth grades 7-12 (July 12-16 and July 19-23). Churches who are interested in sending their children and youth groups need to consider the summer dates and secure needed spaces for the appropriate weeks. Churches sending groups must have a chaperone(s) attend with campers.

We are in the process of securing a summer staff from our Baptist colleges and seminaries. Camp still needs the involvement of associational talents. If you can give time or talent please mark you calendars and call us. We need you. We need a summer cook or teams of cooks, worship speakers and talent, and anyone who can give time in the areas of Bible teaching, missions sharing, arts and recreation.

WMU Report

Transformed - "Adapt yourselves no longer to the pattern of this present world, but let your minds be remade and your whole nature thus transformed." Romans 12:2

WMU's theme this year has been Transformed. Transformation is a process. For the Christian, transformation is a lifelong process brought about by our obedience to Christ. It is that obedience which transforms a person's values and behavior, and results in missions and ministry in one's home, church and the world. We do not do the transforming, it is God who transforms lives and chooses to use us.

Our objectives this year are to (1) challenge members to experience the transforming power of God; and (2) to participate in mobilizing Christians to share the message of God's transforming love with the peoples of the world.

The WMU Council received training to be shared with each Associational Church Leadership Team in preparation for leading WMU members for the year. Our WOM Prayer Retreat at Camp Cale was a little different this year. We started with a continental breakfast. After breakfast we officially began our year prayerfully and spiritual challenged to be Transformed.

Our Church wide Missions and Mission Involvement Directors have been busy getting the WMU's in our Association to participate in and give generously to the International Missions, North American Missions and State Missions. A variety of mission involvement opportunities have included: Offering for Camp Cale, Albemarle Hopeline, VIP Party, Albemarle Crisis Pregnancy Center, Handyman, and Albemarle Prison. Migrant Kits were made and distributed to the migrants, and Prayer Bears were made and given to hospitals in our area.

The social focus has been on Project HELP: Violence, has made us much more sensitive to the violence and abuse in our Association.

We extend sincere thanks and appreciation to each church hosting the Annual WMU Meeting and the age level events. Our age-level organizations have been busy this year with Mission Friends Day Camp at Camp Cale, Mother-Daughter GA Overnight at Camp Cale, and Acteen Winter Event. These events were well attended.
We were delighted to continue the Chowan Association Volunteer Mission Fair for the third year. We had the privilege of hearing first hand missionaries experiences in winning the lost to Christ.

May God continue to bless the WMU ministries in your church and throughout our Association and state.

Ann Berry
